

SEEBLICK FLEET FACTSHEET

SEEBLICK GARAGE AG – REFRESHINGLY DIFFERENT

Every day Seeblick Garage AG – with its over 120 employees – strives for perfection and for the best client service in Switzerland! We are an economically healthy and successful company which is located in Samstagern / Richterswil and Wohlen (Allmend Garage AG) since more than 45 years. Further, the Seeblick Garage AG is a proud carrier of the **BMW Quality Trophy**. As a client you are much – but never one out of many!

BMW GROUP FLEET COMPETENCE CENTER ©

Since beginning of 2017 Seeblick Garage AG has two official – **with maximum score honored** – BMW Group Fleet Competence Center ©. We not only have advanced knowledge of the Swiss fleet market, but also we have adjusted our entire infrastructure onto the corporate segment.

SCOPE OF CONSULTANCY

Our services are as unique as you and cover amongst other things:

- ✓ Made-to-measure mobility solutions
- ✓ Implementation of FABI regulations
- ✓ Fleet optimization
- ✓ Internal and external process optimization
- ✓ Close and neutral cooperation with all external fleet service providers
- ✓ Electric mobility / plug-in hybrid technology
- ✓ Car policy
- ✓ Response guarantee within 24 hours in case of contact
- ✓ and much more

OPTIMIZING POTENTIALS

After a thoroughly review of your current fleet we compile and present to you various optimizing potentials. May this be in form of a full cost approach (TCO), a reduction of your ecological footprint in matters of CO2 emissions, a purposively usage of electric mobility or a holistic process revision following a lean management strategy. You wish – we realize!

SEEBLICK BUSINESS FLATRATE

As a Seeblick corporate client you benefit from a flatrate fleet discount – valid all year! Ask us today how big the “Seeblick Business Flatrate” is for your company.

BENEFITS FOR YOUR EMPLOYEES

For you and your company the employees are the most important resource! We from Seeblick Garage AG are aware of that and provide them as well with special conditions for BMW & MINI vehicles.

„A long-term and successful cooperation is based on mutual trust and on competence in the matter” – Timothy Winiger, Head of Key Account Management

CONTACT PERSON

Our corporate division and our BMW Group Fleet Competence Center © are being managed by our Head of Key Account Management, Timothy Winiger. He and his team take full responsibility for the mobility of your company and are fully committed towards the wellbeing of your company and your employees!

Timothy Winiger has perennial in-depth knowledge in the automotive and management consultancy industry. During his business studies he has worked for one of the four world's largest management consultancy firms (“Big4”) and acquired a broad knowhow in consultancy.

“The client's wellbeing is our top priority. Only if the client is fully satisfied and feels comfortable all around we as Seeblick Garage AG can remain healthy. Following this vision, we have adjusted our daily actions and our working methods. In this sense I am looking forward getting to know you and your company soon in person!”
